The attached draft is the result of comments from Joe Bodovitz. He felt strongly that the paper needed reorganizing so I agreed since they are putting this draft on their letterhead. I have highlighted/redlined those sections that have been either rewritten or are new.

Please review this draft and get me any comments by noon on Thursday, 8/25 (or sooner if possible) so I can mail this as soon as possible to the full list of agency and stakeholders attending the meeting on September 8th.

Thanks,
Kate
